SELECTION

Our Logo Draft Catalogue is a collection of extra, unused samples remaining from former clients' projects, as well as fictional company logos created for recreation. You may choose a logo draft from our catalogue and have it customised with your business/company name and colour(s).

EDITING / REVISIONS

1. BUSINESS / COMPANY NAME

KHW will change the text on the logo draft, to your business' or company's name.

2. COLOURING

KHW will add appropriate colour(s) to the final design, and export full colour, black, and white versions.

FINAL

3. INTELLECTUAL PROPERTY

Upon payment in full, the logo becomes your property, so you may trademark as desired.
